### IMPORTANT NOTIFICATION

*Dear Candidates,*

You are kindly reminded that before you enter the examination room, you must put all your stuff, deactivate your mobile phone, and put any other electronic devices in the personal locker you are given and that is numbered as your sit number.

This is to preserve and maintain the high standards of HCAA Examination Center procedures, legality according to national, European, and international rules.

Additionally, you must notify the staff at the HCAA Examination Center who has the right to check for any electronic device, of whatever size, that you may be carrying with you or, of an acoustic/audio receiver, if it is inserted into one or both of your ears.

In the unlikely event that a candidate is discovered to be wearing a receiver or attempting to compromise the unimpeachable process during the examination, the Hellenic Police will be summoned, and they will deal with the incident with all the legal and penal repercussions that this entails (i.e. arrest and prosecution in the act of attempting or for committing the offence of false certification and referral of the arrested person to the relevant Court).

To this end you are informed that Terms and Conditions in Booking page have been updated including a Solemn Declaration on the related matter.

Thank you for your cooperation.
